

Link2Exchange Acceptable Use Policy

This document details the rules that all Link2Exchange customers must abide by in order to use the services provided by Link2Exchange. Failure to follow these rules may at the discretion of Link2Exchange result in immediate termination of your services without a refund. Use of Link2Exchange services implies acceptance of these terms and conditions.

Within this document, the term "you" refers to any Link2Exchange customer or anyone using Link2Exchange services via the customer's Internet connection. The terms "L2E" and "our" refer to Link2Exchange.

L2E reserves the right to amend these rules without prior notice.

L2E provides data services and data transport for you to use based upon the services you have purchased. L2E exercises no control over the content of the information that passes through our systems and our networks.

You agree that you take full responsibility for any content on the Internet that you access.

You agree not to interfere or attempt to interfere with service to any user, system, network, corporation, or organization.

You agree not to send unsolicited commercial email ("UCE"), not to send bulk email ("SPAM") except to people who have explicitly requested ("Opt-In") to receive it. Violations include websites residing on the L2E IP Network that are the subject of unsolicited email advertising, regardless of the network from which the email advertising originates.

You agree not to hide or attempt to hide the originating source of any email sent via L2E systems or services.

You agree not to circumvent or attempt to circumvent any security or authentication of any user, system, or network.

You agree not to engage in any unlawful activities as defined by whatever town, city, state, federal, or international statutes may apply.

You agree not to resell L2E services without first obtaining a contract from L2E which authorizes this ("reseller contract").
